The middle school schedule contains an A-day and a B-day. Each day, your child will have three 80-minute academic periods, a 40-minute enrichment period, and an 80-minute physical education or elective period. All academic classes are scheduled into these two days.

The 80-minute elective period remains to be scheduled. Please choose one of the three options below. You are deciding whether to have your child involved in band, choir, or Encore classes. All students must choose one of the three options available at all middle schools.

Due to scheduling limitations and staffing, this choice is a year-long commitment. Each choice will receive a grade and will be part of your child's grade point average.

Please Check One Option:

Band Program: Please enroll my child into 80-minutes of band instruction every other day.
Preferred Instrument: _____

Choir Program: Please enroll my child into 80-minutes of choir instruction every other day.

Encore: Please enroll my child into 80-minutes of Encore instruction every other day. This will be a rotation of nine weeks for each: Family and Consumer Science, Career and Technical Education, Art, and General Music.

This form must be returned to your child's school main office by **February 1, 2012**. Please contact your child's school if you have any questions.
