Dear Parents,

The fall season is here, along with cooler temperatures and weather.

Since PE will continue to go outside for class, your children can bring additional clothing to wear for PE in order for them to stay warm.

Your children may bring sweatpants, sweatshirts, gloves, and stocking caps to wear outside during PE class:

Sweatpants colors: Gray, Blue, Black, or Green

Sweatshirts: Any Color

However, all students must still wear their PE uniforms underneath their warm clothing.

Sincerely,

The ASMS PE Team
