These diagnostic assessments will be given on an as needed basis for the general student population, to all students in the Below standards category on the Discovery Benchmark or State Assessments and all IEP students with a diagnosed reading disability.

All IEP students K-12 will utilize the Discovery Benchmark Assessment at all schools unless the IEP exempts the student from local assessments.

ELL students receiving literacy in native language will be given the Logramos assessment. ELL students "in transition" may be given Discovery and Logramos.
