

# Homework Connections

Homework Connections provides students with a quiet atmosphere to complete work. A teacher will be available to assist students with questions they may have. Students are expected to work the entire time they are at connections. They may free read if all their work is done. Students do not need to attend every session, but should attend if they have any work to do.

Students are expected to work at homework connections. Any student refusing to complete work or cooperate with the teacher will be asked not to return.

Homework Connections is on **Tuesdays and Thursdays** from **2:55 until 3:45 pm**. Rides must be available at 3:45 pm. Please indicate if your student may walk home. Please contact Miss. Boczowski with any questions. ([kboczkow@psd202.org](mailto:kboczkow@psd202.org))
