

PLAINFIELD WILDCAT ATHLETIC BOOSTERS CLUB
2010-2011 Season

The Plainfield Wildcat Athletic Boosters need the support of every adult who wants to see the tradition of excellence in athletics continue at PHS. The role of the Boosters is to provide support to the Athletic Department and coaches in obtaining items which are not provided for in their operating budgets.

We are able to do this through fundraisers throughout the year. In the past years we have sold concessions, PHS sportswear, Green Cards, printed each seasons programs for our athletes, sponsored a golf outing, a candlelight bowl and a dinner dance.

What is the Athletic Booster Club?

The mission of the Boosters is to provide support to the Athletic Department and coaches in obtaining items which are not provided for in their operating budgets.

How are funds raised to provide support for the Athletic Department?

The Boosters are able to do this with the help of your membership dues and by fundraising throughout the year. We sell concessions and PHSCC spirit wear at athletic events, as well as host a candlelight bowl and golf outing. This is the third year that we are sponsoring our most profitable fundraiser to date, the annual "Corporate Challenge".

How do PHSCC athletes benefit?

Each year the Athletic Booster Club awards **two \$500 scholarships to a male and female senior varsity athlete**. One of the requirements for this scholarship is that the parent, step parent or guardian of the senior athlete has been a paid and/or active member of the Plainfield Wildcat Athletic Booster Club during each year of the student athlete's enrollment at PHSCC.

The Athletic Booster Club also provides **special trophies** for the fall, winter and spring athletes given at Awards Nights. We purchase **patches for all state qualifying athletes and pins** for parents on Senior Nights. The Athletic Booster Club annually makes a donation to the **Hall of Fame committee**, and purchases the **green schedule cards** for each sports season.

What items have the Boosters recently purchased?

- ◆ Gator cart in a joint effort with the Athletic department
- ◆ \$3000 worth of supplies/equipment for the baseball/softball programs
- ◆ Net system for the volleyball programs
- ◆ Poms for the cheerleading programs
- ◆ Dugout renovation on the baseball fields
- ◆ Hi-Pod camera system for the football program

Any questions, please feel free to contact one of the Booster Club Board members through the PHSCC website! You will find our link under Athletics.
