Ready to Focus
13717 South Route 30, Suite 159, Plainfield, IL 60544
(800) 850-0535
Contact: Jeff Van Meter
Services: At Ready To Focus, we are experts in neurofeedback treatment services for children and adults. Neurofeedback training teaches the brain how to approach and solve problems in a calm and focused manner. Since the brain is the control center for all learning and behavior, when the brain is regulated and operating effectively, positive change follows! Neurofeedback is effective for ADD/ADHD, problems with sleep or insomnia, anxiety, stress, tension, or excessive worry, physical problems such as headaches, migraines, or pain, learning problems at school or performance issues at work, and behavioral problems.

Will County Health Department Teen Pregnancy Prevention Program
323 Quadrangle Drive, Bolingbrook, IL 60440
(815) 727-8824
Contact: Cindy Jackson
Services:

The Teen Pregnancy Prevention program was grant funded and targeted at communities with high rates of teenage births and sexually transmitted infections. In Will County, Bolingbrook was identified to have higher than average rates of teen births, chlamydia, and gonorrhea.

Community Health Educators will implement the evidence-based TPP programs to scale with fidelity in the following schools in all middle and high schools in Bolingbrook. In addition, program staff will mobilize the community by engaging a wide range of community members to create and implement a Community Advisory Board and a Youth Leadership Council. Community Health Educators will also maintain linkages and referrals to a network of organizations that can provide high-quality, youth-friendly health care and support services. Youth-friendly service providers are included in a teen resource guide, which also doubles as a provider referral guide.
