

# K-12 Parents... IS YOUR CHILD AT RISK FOR DRUG ABUSE AND ADDICTION?

## What You Need to Know About Marijuana, the Opioid Epidemic, and Substance Use and Abuse Issues

### Thursday, January 18<sup>th</sup> – 6:30PM Plainfield High School – Central Campus Auditorium

Join us for this information-packed presentation and Q&A session and discover:

- How to talk to your kids about alcohol, marijuana, and other drugs – and get them to listen
- Warning signs of risky substance use, misuse, and abuse and what to do
- Practical tips to empower children to resist peer pressure to engage in substance use
- The most up-to-date information on marijuana policy and its impact on communities
- Risks associated with prescription drugs, including opioids, Xanax, and common ADHD medications
- Information on emerging trends like vaping, dabbing, and over-the-counter medicines

Presentation will be available in both English and Spanish.
