What is the Parent Café? The Parent Café is designed to support parents in knowing and understanding their rights as parents of English Language Learners (EL). It promotes parent participation in their child's academic life. Working together to support learning for your child will help them succeed not just in school, but throughout life.

Can I bring my kids? Yes, of course! We are offering childcare and homework help during each meeting. If you are planning on bringing your children, please call Oralia Guzman at 815-577-4011 or email her at OGuzman@psd202.org. Children must be at least 3 years old.

What do I need? You will need a photo ID to check in at the school office prior to the meeting.

Why should I join? The Parent Café provides a way to get your voice heard, your questions answered, and your concerns addressed! It is also a great way to get more involved and an amazing place to meet other parents.

Note:

The meeting at 5:30 pm at Plainfield Central High School will be followed by a special presentation for parents regarding "Understanding Violence".
