

Dear Parents:

One of the best ways for a child do well in school is to start the school day with a nutritious breakfast at home or at school.

As part of our ongoing efforts to help all of our students succeed in the classroom, we want to remind you that the **School Breakfast Program is available to all students* every weekday morning.**

All children who have been approved for **free meals** are entitled to **free breakfast** and lunch every day. Your child can enjoy a healthy meal every day. These meals meet all government nutritional guidelines, and our staff is working to provide students with a variety of choices.

Here are some helpful links:

Thank you for helping us to make sure that all our students start the school day alert, well fed and ready to learn.
