

Census 2020

WE COUNT! ¡TODOS CONTAMOS!

Wednesday, March 4, 10 to 11 a.m.
JJC City Center Campus Library (CCTR-6005)

The 2020 Census is important. Many of the services and resources you depend on receive funding based on census results. If there is an undercount, those resources could be lost and our state could lose political representation in Congress.

Students are encouraged to bring their families to learn more at this free program, open to the public and held in both English and Spanish.

Streaming Locations

- Main Campus, Library Event Area
- Romeoville Campus, RMA-1019
