

Eichelberger Lending Library Checkout Request Form (Updated 4/10)

Parents: The Lending Library is offered as an additional resource for your family. We offer leveled books and books on CD. The leveled books have a CD for your computer that have activities to use with the book as well as activities that you can do at home with or without a book to help your child. If you have any questions about what level would be best for your child, please ask your child's teacher. The books on CD allow your child to listen to a book and read-along. Checking out materials is quick and easy. Please select one item per child at a time and place an X next to that item. Fill in the form and email it to Ms. Downey at bdowney@psd202.org or print this completed form and send it to school with your child. The books will be sent home with your child. Then simply return the books to school by the due date (or email Ms. Downey to let her know that you would like to keep the materials longer).
