GET A JUMP START THIS SUMMER!

All Ridge Students entering grades 3-5 have the opportunity to access Study Island to play fun games while working on skills they will be learning next year. Encourage your child to get a head start by logging on to www.studyisland.com

Your child's **user name** is: Initial of first name followed by last name@raptor (no spaces)

Example; Jane Doe would be Jdoe@raptor

Password: Student

Click on a subject area of choice. Following the pretest, all of the other sections will open for your child to work on! After clicking on a skill to work on, there is an option to answer questions in test mode or to play a game.

NOTE: All students user names and passwords have been changed to reflect the format above.
