

Training Dates 2010-2011

The Mentor and Building Advisor trainings consist of the following (in addition to the summer training, these meetings are aligned with school dismissal times):

Fall Semester Follow-up Training/Professional Dialogue: Time and location to be determined by House and level. You will be assigned a mentor leader for contact information.

Spring Semester Follow-up Training/Professional Dialogue: Time and location to be determined by House and level. You will be assigned a mentor leader for contact information.

1) **Mentoring in relation to the District 202 Induction Program.**

- a) Mentoring is an important component in the Induction Program. Mentoring is a key facet to assisting new teachers to Plainfield.
- b) Induction hours: First Year Teacher; 30 hours total - 15 hours will be completed during the first three days of teacher induction. The dates are Monday, 8/16/10, Tuesday, 8/17/10, and Wednesday, 8/18/10. The additional 15 hours will be completed by attending required and elective workshops throughout the year (10 hours) and 5 hours with the principal building level facilitated workshops. All first year teachers, those new to teaching and new to Plainfield, will also complete a reflection /change document that will be due in the spring of 2011. Two (2) hours of graduate credit will be provided without cost upon completion for the first year teachers from the University of St. Francis.
- c) Brief overview using the Intranet links regarding induction.
