March 17, 2014

Dear PSD202 Family,

Beginning March 19, 2014 The Plainfield School District 202 will no longer use Mealtime as our software for the payment of lunch fees. MySchoolBucks will be our new online payment portal available on March 31, 2014; giving you a quick and easy way to manage and add funds to your student's meal account. You can view recent purchases along with seeing the current balance, plus add funds **with no additional service charge**.

Enrollment is easy!

1. Go to www.mySchoolBucks.com and register for a free account. A confirmation email will be sent to the address you provide; click on the link included in the email to activate your account.
2. Once your account is activated you may begin adding funds to your students lunch account. The student ID and school name will be required.
3. Funds may be added to your students' accounts with your Visa, MasterCard, Discover Card, debit card, or electronic check* with **no additional service charge**. Money deposited into mySchoolBucks.com appears in the student account within 12-24 hours. Make payments when it's convenient for you, 24 hours a day, 7 days a week!
4. An added benefit of mySchoolBucks is the "Set it and forget it" payment option, which allows you to schedule automatic payments to your student's meal account. Funds can be added weekly, monthly or when the balance hits a specified amount. Simply choose the "Setup a payment schedule" option during the checkout. This new feature will allow you to automatically replenish your student's account on your terms.

Once you've signed up you can fund your student's account via the mySchoolBucks website or mobile app, which is available for iPhone and Android devices.

If you are interested in applying for the free/reduced meal program go to www.plainfield202.heartlandapps.com or request an application from your school.

If you have any questions about myschoolbucks you can email parentsupport@myschoolbucks.com or call 1-855-832-5226

Thank you,
