

# “In Plain Sight” *It is not*

*what you think it is...*

The display is NOT your typical teen's bedroom. Items displayed in the trailer that are out in *plain sight*, can be indicators teens are experimenting with drugs and engaging in risky behavior.

**Parents are invited to visit the “In Plain Sight” trailer located between the Main Building and the Freshman Center during Parent/Teacher Conferences. (The display is intended for parents only, no students will be allowed to view.)**

**Thursday, November 2nd 3:00-7:30 PM**

**Plainfield High School– Central Campus  
24120 W. Fort Beggs Dr., Plainfield, IL**
