Dear Parents and Guardians,

District 202 recognizes that parent-teacher communication is vital to the success of your child's education and we encourage communication to be ongoing throughout the course of the school year.

Please remember that we will not hold a formal parent-teacher conference day this spring. However, parents are always welcome and encouraged to communicate with their students' teachers throughout the year when needed by phone, email, or in person.

Thank you for your support as we strive to serve our students and families as efficiently and effectively as possible.

Sincerely,
