*Let's inspire and equip every person to create a permanent positive change not only in themselves, but in their schools, their businesses and communities.*

While her life was tragically cut short during the Columbine High School shooting on April 20, 1999, Rachel Joy Scott's shining example of kindness and compassion was not defeated that day. Come hear the inspiring true story of one girl's dream being fulfilled 2 decades after her death. The presentation is a powerful reminder of the little things we can do every day to make our world a better place.

### **Recommended Audience: 6th Grade & Up**

Each of our Plainfield District 202 middle schools and St. Mary Immaculate School will also be presented with Rachel's challenge to equip and inspire students to replace acts of violence, bullying, and negativity with acts of respect, kindness, and compassion. You can be a part of this kindness movement too!
