

MARCH 27, 2020

DISTRICT 202 COVID-19/CORONAVIRUS UPDATE

This is the best, most current information available now. This information can change depending on new state guidance/requirements.

We will continue to update our families and staff quickly as these details change:

RE: “Right of Passage Events” like Prom, Graduation, 8th grade promotion:

- At this time, these events have been postponed, but not cancelled. District 202 will decide whether to cancel or move these events (and related logistic details) when the state decides if/when school will resume.

RE: Waiving/refunding fees for school-related, extracurricular and tuition-based programs (for example, field trips, athletics, Full-Day Kindergarten, tuition-based preschool)

- More information will follow soon regarding refunds or crediting of student accounts for school related events (field trips, etc.) and athletics.
- District 202 this week suspended tuition payments for the time-being for full-day kindergarten and tuition-based preschool.

RE: The status of spring athletics and extracurricular events

- SOME (but not all) athletic events have been canceled, however to the best of our knowledge we are not aware that entire sports seasons have been canceled. Please refer to the Illinois High School Association website for the most current guidance: www.ihsa.org

RE: The status of District 202’s Remote Learning plan

- District 202 updated families of both general education students and students with special needs on Thursday, March 26, 2020 about the status of the district’s Remote Learning Plan and special education services. That information is posted on the “**Covid-19**” and “**Remote Learning**” pages on the district’s website: www.psd202.org

RE: District 202 providing paper learning materials for students to use over spring break (March 30th-April 3rd)

- Supplemental K-8 math and reading lessons are available for students to work on over spring break at www.curriculumassociates.com/athome.
- *****For parents who do not have email or phone access to these documents on the district website and would like information about acquiring printed materials visit: <https://forms.gle/5oTa1LRRhNky5Tsm7>**
 - Printed K-8 math and reading lessons are available for students to work on over spring break, and can be picked up at the Administration Center at 15732 Howard Street in Plainfield:

Monday, March 30 - 9-11 am

Tuesday, March 31 - 1-5 pm

Beginning the week of April 6th printed resources can be picked up at your child's home school.
