

# Plainfield North High School

Tigers-

I hope you are all doing well and staying healthy. I appreciate your patience and understanding over the past few weeks while we deal with remote learning and planning the rest of the year. Here is the latest information on few items.

## 2020-21 Schedules

PNHS counselors are currently working on student schedules for the 2020-2021 school year. Beginning next Friday, May 1<sup>st</sup>, students can begin to request changes to their schedules, pending availability. This includes level changes and elective changes if there is room in those courses. Student schedules and specific teacher assignments will not be available until August. Please contact your student's counselor via email with questions or to request course changes.

## Summer School

Discussions are still taking place on what summer school will look like pending the Governor's restrictions. For now, please hold your registration and more details will be provided when finalized.

## Summer Camps

Per the IHSA, all summer contact days have been suspended until further notice. The registration portal has been closed until a decision has been made from the IHSA and District 202. If you have already registered, we will hold your paperwork. If we are not allowed to hold summer camps, District 202 will decide on how to refund payment.

We will communicate any updates about these and other items when it becomes available. Thank you for your understanding and patience while we continue this unexpected journey to end the school year.

Take care and Go Tigers!
