## Kid Zone PLUS Youth Enrichment Program

Registration is underway!

Includes Remote Learning Support

As the exclusive provider of Plainfield Community Consolidated School District 202's onsite before and after school program, the C.W. Avery Family YMCA has the distinct pleasure of working each day with the youth in Plainfield. With the start of the new school year quickly approaching, we are continuing to monitor updates from the Centers for Disease Control and Prevention (CDC) and local, state and federal health officials to ensure our YMCA is prepared to welcome students to our Kid Zone PLUS program this fall.

### ALWAYS HERE FOR OUR COMMUNITY

As our community continues to navigate through this public health crisis, the Y is committed to providing much-needed child care for District 202 families during the 2020-2021 school year. The C.W. Avery Family YMCA will be providing child care, with remote learning support, for kids in grades K-8 at one centralized location in downtown Plainfield:

NEW LOCATION

Plainfield United Methodist Church (PUMC)

15114 Illinois Street | Plainfield, Illinois 60544

#### Drop-Off/Pick-Up Location:

When heading south on Illinois Street in downtown Plainfield, please make a right onto Chicago Street. On the north side of Chicago Street, you will find 3 designated Kid Zone PLUS parking spots. After parking in one of the spots, please call or text the site phone (779-702-8806) and remain in your vehicle, while wearing a mask or face covering. A member of our Kid Zone PLUS team will come outside to assist you.

Overflow parking for drop off and pick up will also be available in the PUMC parking lot, located on the southwest corner of Chicago and Illinois Streets. After parking in one of the overflow parking spots, which will be marked clearly with Kid Zone PLUS signs, please call or text the site phone, remain in your vehicle, and wait for a member of our Kid Zone PLUS team to assist you.

### KID ZONE PLUS PROGRAM CURRICULUM

The YMCA's character building campaign pledges to incorporate the values of Caring, Honesty, Respect and Responsibility into all of its youth programming. Our Kid Zone PLUS program will provide a resource-rich environment for children of all ages. Students will participate in activities throughout the day that focus on arts and humanities, character development, wellness, fitness, and literacy. Significant time each day will also be dedicated to students' remote learning activities. However, please know that all remote learning assignments may not be completed during program hours.
