Open Office Hours

Students and parents may schedule time to meet with the teacher for assistance and to ask questions.

Flexible Learning Time

Teachers will work with assigned groups of students to support academic and social-emotional success. Examples include guided reading, re-teaching, check and connect, and supporting work completion.

Flexible Learning Time and Teacher Planning and Collaboration Time

Students will work asynchronously on teacher assigned classwork.

Student Expectations

Students will attend flexible learning time as requested by their teacher. Attendance is required. Students will complete asynchronous classwork assigned.
