

April 19, 2021

Dear River View Families and friends,

We are excited to announce that next week- the week of April 26-30th we will be participating in a food drive for both the District [202's Bags of Hope Program](#) and our River View Cub Scout's brand-new Micro Pantry! Bags of Hope is a program here at District 202 that provides canned foods and other items to families in need of throughout our schools. The Micro Pantry is new to River View! It will be placed outside of our building and contain food and other items for anyone who may wish to use it at anytime of need.

In terms of the food drive, we will be leaving large boxes outside of the main entrance of River View Monday- Friday of next week. If you would like to participate in the food drive, feel free to stop by anytime during the week and leave your items in the boxes. Items that we are collecting include canned foods, oatmeal, pasta, cereals, granola bars, toiletries, juice or juice boxes, and any other non-perishable items.

If you have any questions regarding this food drive, the Bags of Hope program, or Micro Pantry please feel free to contact Mrs. Khan at lkhan@psd202.org.

Thank you in advance for your support with this important cause!

Sincerely,

River View Staff
