Dear 5th Grade Families,

The Plainfield School District is offering a new Summer Bridge Program for students transitioning from elementary school to middle school. Through this program, students will have the opportunity to meet and connect with middle school teachers and new classmates. The program is designed to support 6th grade students as they learn routines, expectations, habits, and team-building skills for middle school.

The Summer Bridge Program will be offered from June 7th-17th, Monday-Thursday from 8:30am-12:30pm at the following sites: Aux Sable, Drauden Point, Heritage Grove, Indian Trail, and Timber Ridge. Students from all schools are invited to participate. Students will attend the summer program at the middle school that they are scheduled to attend in the fall of 2021 except; Ira Jones students will attend the Summer Bridge Program at Indian Trail Middle School, and John F. Kennedy students will attend the Summer Bridge Program at Heritage Grove Middle School. Transportation will be offered for all students who qualify.

Current 5th grade students interested in an introduction to 'life in middle school' would be a great fit for this program. Our goal is to familiarize students with organizational tips, locker opening, building layouts, social/emotional support, study habits and much more!

If your child is interested in attending the Summer Bridge Program, please indicate your interest by completing the interest survey below:

There are limited spots available for this program, we will let you know if your child has qualified for the program by the middle of May.

We look forward to meeting you!
