The Labor Record

Will County Labor Record, Thursday, April 1, 2021

Vol. 89-No. 49

Wilco students earn Illinois HOSA State Conference Awards

Three students pursuing a career in Health Professions and attending Wilco Area Career Center have recently been named recipients of Illinois HOSA State Conference Awards during the Illinois state competition on March 14-19. Each of the students—Plainfield South HS, Murtaja Nadum (12), Bolingbrook HS, Aaliyah Valdivia (11), and Plainfield East HS, Cameron Arquines (12) competed in various categories. Murtaja Nadum, was awarded Top Ten State Qualifier for Dental Science, Aaliyah

Valdivia and Cameron Arquines were awarded the Top Ten State Qualifier for their Job Seeking entry.

Wilco Area Career Center Introduction to Health Professions Instructor, Jeanine Marcò shared her congratulations to all team members whom competed despite the unusual online competition forum. Everyone did an amazing job and should be proud of their accomplishments!

Illinois Health Occupations Students of America (HOSA) is dedicated to enhance the delivery of compas-

sionate, quality healthcare by providing opportunities for career and technical education knowledge as well as leadership development for the secondary and post-secondary student whose career interest is health science technology. Illinois HOSA is 100% healthcare.

Wilco Area Career Center, Romeoville, serves nearly 1400 students district wide and offers students career-based courses providing skills required for continuing education and/or employment upon completion.

Wilco students earn FCCLA Awards

Three students pursuing a career in Early Childhood Education (ECE) at Wilco Area Career Center have recently been named recipients of FCCLA Awards during a Regional competition on Feb. 4th and 5th. Each of the students—Bolingbrook HS, Jesenia Garcia (11), Romeoville HS, Elizabeth Carrillo (11), and Plainfield Central HS, Kaitlyn Abellera (12) competed in various categories. Elizabeth Carrillo was awarded Gold Level for her Story Lesson Plan entry, Jesenia Garcia and Kaitlyn Abellera were awarded the Silver Level for their Childcare Professional Notebook entry.

Twelve students pursuing a career in Culinary Arts at Wilco Area Career Center have been

named recipients of FCCLA Awards. Each of the students—Plainfield South, Brianna Worthley (12) was awarded the Gold Level for Most Outstanding in Hospitality, Tourism and Recreation STAR Event, Plainfield Central, Cynthia Sanchez (12) was awarded Gold Level for her Fondant Cakes entry, Romeoville HS, Deon Collins (11) was awarded Silver Level for his Hospitality, Tourism and Recreation STAR Event, Plainfield East, Lindsey McCoy (12) was awarded Silver Level for Culinary STAR, Plainfield East, Sydney Felgenhauer (12) was awarded Silver Level for Fondant Cake, Romeoville HS, Zita Vanaria (11) and Angela Flores (12) were awarded Silver Level for their Decorated Cookie entries,

Bolingbrook HS, Nya Teemer (11) and Ariana Mendoza (11) were awarded Silver Level for their Decorated Cookie entries, Plainfield East, Evan Morfoot (12) was awarded Bronze Level for his Culinary Math entry and Plainfield P-Step, Jayda Dixon (11) was awarded Silver Level for her Decorated Cookie entry.

The State Competition begins on Monday, April 5th and Tuesday, April 6th and the following students will be competing virtually at the state level: Brianna Worthley, Cynthia Sanchez, Lindsey McCoy, Sydney Felgenhauer, Zita Vanaria, Angela Flores, Nya Teemer, Jayda Dixon and Ariadna Mendoza.

Family, Career and Community Leaders of

America (FCCLA) is a nonprofit national career and technical student organization for young men and women in family and consumer sciences education in public and private school through grade 12. Involvement in FCCLA offers members the opportunity to expand their leadership potential and develop skills for life—planning, goal setting, problem solving, decision making and interpersonal communication—necessary in the home and workplace.

Wilco Area Career Center, Romeoville, serves nearly 1400 students district wide and offers students career-based courses providing skills required for continuing education and/or employment upon completion.

ILCTE Innovative Curriculum Resources Project would like to celebrate successful high school Career & Technical Education programs throughout Illinois by highlighting careers of CTE graduates. Over 200 graduates are now featured in the **CTE Graduate Profile Book**. Graduates are asked to answer a few questions about their career path, skills learned and are given the opportunity to give CTE students advice. Interested? Please email April Suter at acsuter@ilstu.edu for more information. **Click here for link to submission form.**
