October 29, 2021

Dear Parents and Guardians,

The first quarter of school has ended, and you will be receiving your student's elementary report card electronically via email. These will start being sent on October 29th and will take a few days to send to all families. You should receive your student's report card by Tuesday, November 2nd.

This year your child's teacher has spent the first quarter supporting students academically, socially, and emotionally. For many students, it has taken time to become familiar with the routines and structures of the school day. The curriculum pacing has been structured to allow extra time to review foundational and essential skills. Some units of instruction may be taught past the end of the quarter. In these instances, standards mastery will be reported in the following quarter.

If you have any questions about your child's report card, please reach out to your child's teacher or school administrator. Thank you in advance for your understanding and support.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Wood".

Dr. Glenn Wood
Asst. Superintendent
Curriculum and Instruction
