Sunday, Jan 23, 2022

Each Bowling for the Arts attendee will enjoy two hours of bowling (including shoes and bowling balls), unlimited food and non-alcoholic beverages, a \$25 Bowlero Gift Card, and two raffle tickets! There will be silent auctions, raffles, and a 50/50 split the pot available as well!

WGI World Championships are held in April every year at the University of Dayton in Dayton, Ohio. Each group will need to raise approximately \$7,500 to attend this event including transportation and hotel stay. Students will have the opportunity to compete in Scholastic A Prelims, and potentially Semi Finals as well as Finals if we are able to advance. In addition, both groups of students will be able to watch Independent World Class Finals, which will feature the best performing ensembles the activity has to offer.
