April 2022

Dear Parent / Guardian:

Your child has been recommended to take Honors Math in 6<sup>th</sup> grade during the 22-23 school year. Student academic data drives this decision along with teacher recommendations when needed. We recognize that the past couple of years have been incredibly unique, and our goal is to prepare students to be successful as they transition into the accelerated middle school math programs. Typically, students who start middle school in 6<sup>th</sup> grade Honors Math will continue into 7 Honors and in 8<sup>th</sup> grade will place either into Algebra I or Algebra I Honors, both providing an opportunity to earn high school credit while in 8<sup>th</sup> grade.

Because of this recommendation, we are advising that your child participate in the summer 6 Honors Math Prep Program. The purpose of the summer program is to practice foundational standards and skills necessary to prepare students to be successful in 6<sup>th</sup> grade Honors Math. Students will work through the foundational skills of 6<sup>th</sup> grade while in the summer program, which will position them well for the accelerated 6<sup>th</sup> grade Honors class when they return to school in the fall. This is an in-person program and will be offered at multiple sites across the district.

### Information on the program is below:

Monday, June 6th - Tuesday, June 28th  
8:00am - 1:00 pm

**Blue House (Aux Sable & Drauden Point) and Green House (Timber Ridge & Indian Trail)** students will attend at Plainfield South HS

**Red House (Ira Jones & Heritage Grove) and Orange House (John F Kennedy)** students will attend at Plainfield North HS

Transportation is provided. Students will ride the HS Summer School buses.

Please register your child to attend using the link below. **You will need your student's ID and Password to register your child.** Registration closes on April 29th.
