April 20th, 2022

Dear 5th Grade Families,

The Plainfield School District is offering the Summer Bridge Program for students transitioning from elementary school to middle school. Through this program, students will have the opportunity to meet and connect with middle school teachers and new classmates. The program is designed to support incoming 6th grade students as they learn routines, expectations, habits, and team-building skills for middle school.

The Summer Bridge Program will be offered from June 6th- 16th, Monday-Thursday from 9:00 am-12:00pm at all the middle schools. Students from all schools are invited to participate. Students will attend the summer program at the middle school that they are scheduled to attend in the fall of 2022. Transportation will be offered for all students who qualify.

Current 5th grade students interested in an introduction to 'life in middle school' would be a great fit for this program. Our goal is to familiarize students with organizational tips, locker opening, building layouts, social/emotional support, study habits and much more!

If your child is interested in attending the Summer Bridge Program, please indicate your interest by completing the interest survey below:

[Summer BRIDGE Survey 2022](#)

There are limited spots available for this program, we will let you know if your child has qualified for the program by the middle of May. Upon acceptance into the program, you will be asked to complete the registration confirming that your child is accepting the spot in the program. Please be sure to follow all deadlines for registration.

We look forward to meeting you!
