Part-Time Employment Opportunities

At the Y, we know that learning doesn't end when the school bell rings. The way children spend time outside the classroom can make a big difference in their personal development and a family's work-life balance. The Y's Kid Zone program provides a safe place for children to keep their mind and body active while learning social skills and positive values.

In preparation for the upcoming school year, the YMCA is looking to add talented, qualified, and positive part-time employees to its before and after school team. We are currently hiring Kid Zone Counselors, Lead Site Coordinators, and Site Supervisors to work at program sites in Plainfield School District 202. All Kid Zone employees must be 16 years of age or older.
