Ms. Kolodner,

I am responding in my capacity as the Freedom of Information Act officer for Plainfield Community Consolidated School District 202.

On Aug. 23, 2022, you requested materials re: Expulsions in abeyance.

On August 30, 2022, we responded that the request was both technically voluminous under FOIA rules and also overwhelming and unduly burdensome.

I offered to check again with the appropriate folks here. I did so and unfortunately a double check did not produce any new records. Therefore, you have all responsive records as part of our previous response.

Thank you for your patience and understanding.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Hernandez".
