

SUNSHINE REMOTE VIRTUAL PROGRAMS

Sunshine Remote Gingerbread Man Literacy Math

Nov. 30-Dec. 16 | 9:30-11 am

Ages 3-6 \$90R/\$95N
Mondays & Wednesdays

Join us for this virtual program 2 times a week with Miss Karen and Miss Anne to meet new friends, have fun, and begin your preschool journey. Students will be placed in virtual classes with children their own ages. We will also be working on skills that your child would be introduced to at in-person preschool in Literacy and Math! Each child will receive a kit full of supplies to bring the learning to the safety of your house. We ask that parents stay close to help with the virtual end of things until your student becomes comfortable with online platforms. #20-4-3708

Sunshine Remote Santa's Little Helper

Dec 4-Dec 18 | 1-2 pm

Ages 3-6 \$50R/\$55N
Fridays

Join us for this virtual program with Miss Karen to meet new friends, have fun, and spread some Christmas Cheer. Students will be placed in virtual classes with children their own ages. We will also be creating works of art and a few special gifts for our family members. Each child will receive a kit full of supplies to bring the learning to the safety of your house. This is an art class and we will be using art materials to create. A table area will be needed as the child participates on Zoom. We ask that parents stay close to help with the virtual end of things until your student becomes comfortable with online platforms. # 20-4-3711
